SHANA 2023 - Continued Advancement in Head & Neck Anesthesia Including the Use of Artificial Intelligence

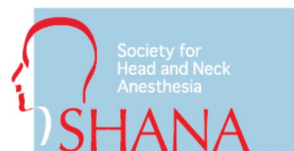

October 15, 2023

6:00pm-10:00pm PDT

San Francisco Marriott Marquis

780 Mission St. San Francisco, CA 94103

Room: 2nd Floor, “Foothill-F”

The Society for Head and Neck Anesthesia is a physicians' organization dedicated to improving the anesthesia and perioperative care of patients undergoing head and neck surgeries through clinical excellence, education, and research.

Meeting Learning Objectives

At the end of this activity, participants will be able to:

1. Appreciate and recognize considerations for the use of artificial intelligence in head and neck surgery as well as airway risk assessment and management.
2. Understand the importance of communication for the difficult airway patient and utilizing the electronic health record to share important information.
3. Recognize ongoing initiatives and clinical updates to optimize care for patients undergoing head and neck and advanced airway procedures.
4. Consider strategies for oxygenation and ventilation in patients with complex head and neck pathologies undergoing surgical treatment.
